## About

I'm a **software developer** & **multimedia designer** from San Diego, CA. I have a strong passion for developing high-quality applications and solutions using the latest tools & technology. I'm currently looking for new opportunities and ways to expand my portfolio and improve my current skill set. As I continue to grow in my technical career, I look forward to taking on more increasingly complex and exciting challenges.

## Work Experience

**Nov 2020 - Dec 2020**

**Software Developer** | Freelance

*Provan Law Firm*
